DIXIE RESTORATION DEPOT

1982-88 Aftermarket Gauge Clusters

For those seeking gauges that are easier to read and more accurate than the factory originals, we offer a variety of aftermarket options. Whether you like black or white gauge faces, Classic Instruments or AutoMeter, we have a desirable configuration for you.

1978-88 Seatbelt Sets

When it comes to buying seatbelts, safety should be your top priority. Our seatbelt sets are assembled and tested in the U.S. under the most rigorous conditions in accordance with FMVSS 209/302 specs. They come in a variety of factory colors and can even be special ordered in non-factory colors. Available for bench and bucket seats.

1968-88 Complete Weatherstrip Kits

If your weatherstrips have become warped, cracked, or rotten, Dixie has you covered. Piece together specific weatherstrips or get all of the weatherstrips you need in one easy part number. Whether you're looking for the window felts, door seals, hardtop seals, or trunk seals, we have them all. We even have the best fitting t-top seals on the market! Pickup one of our complete kits and we'll throw in a tube of weatherstrip adhesive just in case you need some.

Novelty Items

Dixie Monte Carlo Logo T-Shirt

Our new Dixie Monte Carlo Depot T-shirt is made from a 90% cotton, 10% poly pre-shrunk blend. It features our logo and an array of customer's cars on the front and a smaller logo on the back.

DA00100-L	Large	**$19.95**
DA00100-XL	Extra Large	**$19.95**
DA00100-2XL	Extra Extra Large	**$19.95**

Brakes

Brake Lines, Hoses & Hydraulics

Chevelle/El Camino/Monte Brake Hold-Off Valve

This is the golf ball size valve that hangs off the driver side stud of the master cylinder. This hold off valve came on factory disc brake cars. It is part one of the two or three part valve system. All the cars, whether disc or drum, had the same valve on the frame (see part #DM93020). The disc cars had this hold off valve in addition to the frame valve. They must be used together.

DA93021-1970	1970	**$79.95**

1970 Rear Chev/El Camino/Monte Brake Hold-Off Valve

This valve for 1970 Chevelle, El Camino & Monte Carlo w/ factory disc brakes was used to hold off pressure to the rear brakes so the front brakes would go on a split second before. It is located at the rear of the car, mounted to the back cross member close to where the rubber brake hose attaches through the frame. In 1970, these cars had three valves that made up the disc brake system. The valves include: this rear valve, a distribution block (see part #DM93020), and a round golf ball valve (see part #DM93021). In 1971, these three pieces were combined into one valve which simplified the system.

DA93022		**$44.95**

Chevelle/El Camino/Monte Brake Distribution Block

This block was used on both disc and drum brake cars and is located on the frame below the master cylinder. This is not a proportioning valve; it does not hold off pressure unless there is a loss of pressure in either the front or rear brakes. It will then contact the brake warning light in the dash. In 1968-69 and 70-72, this block is used on all drum cars and in 1967-70 with the round hold-off valve at the master on disc brake cars. In 1971, the disc brake cars use a different valve and the drum brake applications continue to use this valve. This block gives equal pressure to the front and rear brakes and is also great for 4 wheel disc applications.

DA93020-7072	70-72	**$74.95**

Brakes

Brake Lines, Hoses & Hydraulics

71-72 Monte Carlo Proportioning Valve

71-72 Monte Carlo
1971 was the first year for this style proportioning valve on all factory applications. This valve mounts on the frame below the master.

DA93025		**$91.50**

68-86 Disc/Disc Conversion Valve

This 5 port valve works great on factory cars that have been converted to rear disc brakes and is preset for disc brakes. 2 ports on top for the lines from the master cylinder to the valve, 1 right front port, 1 left front port and 1 port for the front to rear brake line. Fits all 71-86 GM cars. This valve is also used on the 1964-72 GM disc brake conversions. There is no adjustment on the valve. It is set to be 50% front brake, 50% rear brake pressure.

DA93026	Used to convert to front & rear disc brakes	**$79.95**

Brakes

Parking Brake

70-72 Parking Brake Control

1970-1972 Chevelle, Malibu, Monte Carlo & El Camino parking brake control.

DA93197		**$84.95**

70-72 Brake Release Handle

1970-1972 Chevelle, Malibu, Monte Carlo & El Camino reproduction brake release handle.

DA93199		**$10.00**

Brakes

Rotors & Pads

K&N Recharge Kit

To get the best performance out of your K&N air filter, use K&N's patented cleaner and oil kit. Cleaners other than K&N's own can harm the filter element and rob it of it's air flow characteristics.

DM95000 **$10.95**

Engine

Air Cleaner Components

K&N Air Filter (E-1650)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. K&N makes over 1,200 different replacement air filters for virtually every vehicle on the road. These filters are washable and reusable and are custom-designed to fit into your existing factory air box. Their drop-in design means that adding performance is simple. With most vehicles, you simply remove the disposable air filter and replace it with one of these K&N air filters. This round K&N filter has a 14" outside diameter with a height of 3.063"

DM95009 **$50.95**

K&N Air Filter (E-1450)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 12" outside diameter with a height of 2.5".

DM95005 **$48.95**

K&N Air Filter (E-1500)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 12" outside diameter with a height of 3.44"

Air Filters

K&N Air Filter (E-1650)
K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. K&N makes over 1,200 different replacement air filters for virtually every vehicle on the road. These filters are washable and reusable and are custom-designed to fit into your existing factory air box. Their drop-in design means that adding performance is simple. With most vehicles, you simply remove the disposable air filter and replace it with one of these K&N air filters. This round K&N filter has a 14" outside diameter with a height of 3.063"

DM95009 **$50.95**

Fuel & Filters
Air Filters

K&N Air Filter (E-1450)
K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 12" outside diameter with a height of 2.5".

DM95005 **$48.95**

K&N Air Filter (E-1500)
K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 12" outside diameter with a height of 3.44"

DM95003 **$48.50**

K&N Recharge Kit
To get the best performance out of your K&N air filter, use K&N's patented cleaner and oil kit. Cleaners other than K&N's own can harm the filter element and rob it of it's air flow characteristics.

DM95000 **$10.95**

Fuel & Filters
Oil Filters

K&N Oil Filter (HP-2002)
This K&N gold oil filter helps keep your engine free from contaminants as small as 10 microns. It also has an anti-drainback valve that eliminates dry starts and prevents oil from draining back into the crankcase during engine shutdown.

DM95011 **$11.95**

Fuel & Filters
Tanks, Straps & Sending Units

Gauges & Clusters

70-72 SS Classic Instruments 3-Guage Set

This 70-72 SS kit includes the 3 main gauges, appliques for the smaller side openings, any sending units that are required, wiring harness, replacement gauge carrier, and hardware to mount the gauges into your dash. Each kit comes assembled on the gauge carrier and you must re-use your gauge lens. We will need the year & model of your car as well as the engine and transmission being used. If you are using a 700R4 trans., then we will need to know if the speedo is cable or VSS driven.

DM91601 **$58.95**

Suspension

Front

64-72 Hotchkis Tubular Upper A-Arm Package

Upgrade your GM A-Body's front suspension with the use of our tubular A-Arms, which are designed to adapt the taller GM F or B-Body spindles. Disc brakes are easily upgraded with factory 11" or 12" rotors available from F or B-Body vehicles. These arms feature Tig welded construction, and greasable polyurethane bushings, and ball joints. Arms do not work with factory spindles! Spindles required are 70-76 GM F-Body, or 78+ GM B-Body. Spindles will lower vehicle 3/4" and widen track width 3/8" per side.

DA91102-TALL	for Tall (F or B-body) Spindles	**$666.95**
DA91102-STOCK	for Stock Spindles	**$592.95**

64-72 Hotchkis Tubular Lower A-Arms

Hotchkis Tubular Lower A-Arms provide exceptional handling performance when combined with the Hotchkis Tubular Upper A-Arms. Features: 100% TIG welded 1.5" tubular steel construction, CNC machined inset spring cup, Polyurethane coil spring isolators, and gloss black powder coat finish.

DA91104-TALL	for Tall (F or B-body) Spindles	**$821.95**
DA91104-STOCK	for Stock Spindles	**$821.95**

Suspension
Handling Kits

64-72 Hotchkis Tubular Upper A-Arm Package

Upgrade your GM A-Body's front suspension with the use of our tubular A-Arms, which are designed to adapt the taller GM F or B-Body spindles. Disc brakes are easily upgraded with factory 11" or 12" rotors available from F or B-Body vehicles. These arms feature Tig welded construction, and greasable polyurethane bushings, and ball joints. Arms do not work with factory spindles! Spindles required are 70-76 GM F-Body, or 78+ GM B-Body. Spindles will lower vehicle 3/4" and widen track width 3/8" per side.

DA91102-TALL	for Tall (F or B-body) Spindles	**$666.95**
DA91102-STOCK	for Stock Spindles	**$592.95**

64-72 Hotchkis Tubular Lower A-Arms

Hotchkis Tubular Lower A-Arms provide exceptional handling performance when combined with the Hotchkis Tubular Upper A-Arms. Features: 100% TIG welded 1.5" tubular steel construction, CNC machined inset spring cup, Polyurethane coil spring isolators, and gloss black powder coat finish.

DA91104-TALL	for Tall (F or B-body) Spindles	**$821.95**
DA91104-STOCK	for Stock Spindles	**$821.95**

68-72 Hotchkis Rr Suspension Package

This 1968-1972 Chevelle, Monte Carlo, El Camino, & Malibu Hotchkis performance rear suspension package includes upper trailing arms, lower trailing arms, trailing arm mount braces, and trailing arm hardware. Cornering and overall stability are dramatically improved through increased roll stiffness and sway bar effectiveness. The fabricated trailing arms are constructed from one piece of .120" wall TIG welded steel tubing and include greasable polyurethane bushings.

DA91803-ADJUSTABLE	Adjustable	**$799.95**
DA91803-NOTADJUST	Not Adjustable	**$736.95**

68-72 Hotchkis Total Vehicle Suspension (TVS) Kit

1968-1970 Chevelle, Monte Carlo, El Camino & Malibu Hotchkis performance big block Total Vehicle Suspension (TVS) kit includes sport coils, sport sway bars, heavy duty tie rod sleeves, and an adjustable rear suspension package. By matching suspension components Hotchkis ensures balanced handling performance in a bolt on kit.

Applications: 1968-1970 GM A-Body w/ big block motors (non-aluminum heads)
Note: This kit lowers the vehicle an average of 1" from original factory ride height.

Shocks

64-72 Hotchkis HPS 1000 Front Shocks (pr)

The 1964-1972 Chevelle, Monte Carlo, El Camino & Malibu Hotchkis performance HPS 1000 front shocks are designed like all other Hotchkis parts, for performance. Shocks need to be tuned with spring rates and vehicle weights in mind. This is why one valve fit's all or universal shocks just don't optimize performance and often sacrifice ride comfort. Tuned in house and manufactured by Bilstein TM, this shock offers a seamless transition between comfort and control. Each shock is specifically engineered and tuned to offer the ultimate performance and ride. HPS 1000 shocks make a great addition to the Hotchkis TVS packages. Shocks are sold in pairs.

DA97012 **$185.95**

64-88 Hotchkis HPS 1000 Rear Shocks (pr)

The HPS 1000 shock is designed like all other Hotchkis Performance parts, it's designed to perform. Shocks need to be tuned with spring rates and vehicle weights in mind. That's why one valve fit's all or universal shocks just don't optimize performance and often sacrifice ride comfort. Tuned in-house and manufactured by Bilstein TM, this shock offers a seamless transition between comfort and control. Each shock is specifically engineered and tuned to offer the ultimate performance and ride. Sold in pairs.
Fits 1964-1972 and 1978-1988 Monte Carlo, El Camino, Chevelle & Malibu.

DM97109 **$185.95**

These 1968-1988 Monte Carlo, El Camino,Chevelle, & Malibu Bell Tech Nitro rear shocks work with models that are lowered up to 2". Sold in pairs. Will work for 0-2" dropped cars.

DM90287 **$169.95**

Suspension
Shocks

68-88 KYB Gas-A-Just Shocks (set of 4)

These 1968-1988 Monte Carlo, El Camino, Chevelle, & Malibu front and rear KYB gas shocks (set of 4) will provide a slightly firmer ride than factory and will handle much better. Their self-adjusting quality makes them get stiffer as more load is applied. This gives much better cornering and handling characteristics for both comfort and performance.

DM90086-6877	68-77 Front & Rear	**$199.95**
DM90086-7888	78-88 Front & Rear	**$208.95**

68-88 KYB Gas-A-Just Shocks (pair)

1968-1988 Monte Carlo, El Camino, Chevelle, & Malibu KYB gas-a-just shocks.
KYBs are an excellent street/performance replacement for the factory shocks and struts. They will provide a slightly firmer ride than factory and will handle much better. Their self-adjusting quality makes them get stiffer as more load is applied. This gives much better cornering and handling characteristics for both comfort and performance.

DM90083-6888FRONT	68-88 Front	**$104.95**

73-77 Perforated Sun Visor Set

This 1973-1977 Monte Carlo, Chevelle/Malibu & El Camino reproduction sun visor set features a strong yet flexible inner MDF structure. Inner boards are beveled and routed to insure the binding is nested firmly against the edges. Clay coated chipboard is used due to its resistance to moisture and warping. All metal components are riveted and made of rust resistant alloys. Visor pins are heavy duty steel, zinc plated and welded in the correct positions. Each material is laminated to each other to prevent separation.

DM10283-RHLOW	Passenger's Side Low Beam	**$31.95**

Electronic LED Flasher

This electronic LED flasher replaces the stock-type module in your fuse box. It is usually needed when installing an LED light conversion kit. Without it, due to the low resistance of LED's, the factory module is often tricked into thinking that a bulb has burned out causing more rapid flashing.

DM20238 **$17.95**

Lighting

Rear Lamps & Lenses

74-88 Tail Lamp or SS Nose Emblem

This 1974-1988 Monte Carlo tail lamp or 83-88 Monte Carlo SS reproduction nose emblem is an officially licensed GM Restoration Part. (3M double stick adhesive for easy installation and/or replacement of original emblem).
This emblem is an exact reproduction of the GM original, including the red on the knight's helmet.

DM10303 **$39.00**

Tail Lamp Housing Sealant Tape

Make sure no moisture gets in your tail lamps with a new bead of sealant. 1 roll is enough to do both rear tail lamps.

DM20188 **$24.95**

Electronic LED Flasher

This electronic LED flasher replaces the stock-type module in your fuse box. It is usually needed when installing an LED light conversion kit. Without it, due to the low resistance of LED's, the factory module is often tricked into thinking that a bulb has burned out causing more rapid flashing.

67-88 Hotchkis Performance Rear Springs (1" drop)
Lower your GM A or G-Body 1" below stock ride height to give it the right look, with an aggressive stance and a lower center of gravity. Each grey powder coated spring is precision wound using the highest quality steel. Specs: 1" lowered rear 135 lb/in. Double pig tail coil. Wagons and El Camino's should not use rear springs without the use of an air bag kit.

DM91901 **$182.00**

73-77 Stock Front Springs (pair)
These 1973-1977 Monte Carlo, Chevelle, Malibu & El Camino stock heavy duty front springs (pair) may increase your ride height if your car is lighter than stock, especially if the springs you are replacing are worn. Loaded Height (2373 lbs): 10.5". Spring Rate: 408 lbs per inch.

DB90089 **$129.95**

68-88 Stock Rear Springs (pair)
1968-1988 Monte Carlo, El Camino, Chevelle & Malibu stock rear springs (pair). Loaded Height (759 lbs): 8.5". Spring Rate: 119 lbs per inch.

DM90088 **$84.95**

68-88 Heavy Load Rear Springs (pair)
These 1968-1988 Monte Carlo, El Camino, Chevelle & Malibu stock rear springs (pair) are variable rate for carrying heavy loads. Ideal for El Caminos and wagons. Loaded Height (560 lbs): 10.25". Spring Rate: 161 lbs per inch.

Car Covers

78-88 Non-SS Custom Car Cover

This 1978-1988 Monte Carlo custom car cover is made from the finest fabric. It is water resistant but not waterproof, which allows the cover to breathe so that your paint goes unharmed. The cover is also mildew and stain resistant. It keeps the sunlight off of your car as well thanks to its thick material. The tightly woven sturdy exterior and soft underside are washable and will last a long time. Buy the cover that will protect all of your hard work and will keep your car looking like new. Does not include mirror pockets.

Brake Lines, Hoses & Hydraulics

68-86 Disc/Disc Conversion Valve

This 5 port valve works great on factory cars that have been converted to rear disc brakes and is preset for disc brakes. 2 ports on top for the lines from the master cylinder to the valve, 1 right front port, 1 left front port and 1 port for the front to rear brake line. Fits all 71-86 GM cars. This valve is also used on the 1964-72 GM disc brake conversions. There is no adjustment on the valve. It is set to be 50% front brake, 50% rear brake pressure.

DA93026	Used to convert to front & rear disc brakes	**$79.95**

78-86 Disc/Drum Proportional Valve

78-80 Second Design 6-Hole Shadow Box (w/ gauges)

Designed for a rectangular speedometer gauge pod, our Second Design 6-hole shadow box is made for a custom look with more accurate gauges than those that came from the factory. Gauges include: 160mph speedometer, odometer, fuel level, oil pressure, water temperature, voltmeter, and 10000 RPM tachometer. New oil pressure and tempearture senders included. LED lamps included for the turn signals, high beam and brake lamp indicators. A new speedometer cable is also included. The new shadow box and gauges will fit into your existing gauge pod with modifications. A new wiring harness with instructions is supplied, but you will need some common wiring tools to complete the installation. Must reuse existing right indicator lens, light switch & knob, A/C duct, and face plate with dash vent. Fits 1978-1980 El Camino & Malibu.

K&N Recharge Kit

To get the best performance out of your K&N air filter, use K&N's patented cleaner and oil kit. Cleaners other than K&N's own can harm the filter element and rob it of it's air flow characteristics.

DM95000 **$10.95**

K&N Air Filter (E-1150)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 10" outside diameter with a height of 3.5"

DM95007 **$49.95**

K&N Air Filter (E-1450)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 12" outside diameter with a height of 2.5".

DM95005 **$48.95**

K&N Air Filter (E-1500)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 12" outside diameter with a height of 3.44"

DM95003 **$48.50**

K&N Air Filter (E-1690)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. They are washable, reusable and are designed to fit into your existing factory air box. This round K&N filter has a 13.75" outside diameter with a height of 4.031"

DM95025 **$61.50**

K&N Air Filter (E-0870)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. K&N makes over 1,200 different replacement air filters for virtually every vehicle on the road. These filters are washable and reusable and are custom-designed to fit into your existing factory air box. Their drop-in design means that adding performance is simple. With most vehicles, you simply remove the disposable air filter and replace it with one of these K&N air filters. This round K&N filter has a 5" outside diameter with a height of 5.25"

DM10547-MIRRNOBEAD	Mirror Finish w/o Bead Roll	**$114.95**

78-88 Electric Fan Top Radiator Retainer

This 1978-1988 electric fan top radiator retainer allows you to run electric fans without the shroud. Light weight and plenty strong, will host most every make of radiator and fan combo.

DM10155-WITHOUT Without Custom Bead Roll Design **$70.00**

68-88 Stainless Hood Stops (bumpers)

Dress up your engine compartment with these stainless steel 5/16" hood stops. They come as a pair and feature smooth set nuts and a permanent rubber bumper for a clean look.

DM10571 **$49.95**

82-88 Goodyear Super Hi-Miler Hose Kit (6pc)

1982-1988 Monte Carlo hose kit. Made from a special EPDM rubber, Super Hi-Miler hose lasts 5 to 10 times longer than regular hoses. A Nomex reinforcing sleeve gives the hose a burst rating 10 times stronger than rayon-reinforced hose. Not only are they known for their strength and long life, they've got an electric blue color to set them apart. Kit fits 5.0 (305) V8 only and includes: upper & lower radiator hoses, three heater hoses, and the bypass hose.

DM10085 **$94.95**

81-88 Stainless Radiator Support Cover-Up

This 1981-1988 Monte Carlo show quality, mirror-finish stainless steel radiator support cover-up.

80-88 V8 EGR Valve

1980-1988 EGR valve for 305 V8, w/ 4bbl Carb. Fits cars with a VIN starting with "G" or "H" (SS).

DM90450 **$89.95**

Engine
Firewall

78-88 Heater and A/C Delete Cover Plate

1978-1988 Monte Carlo, Malibu & El Camino black powder coated A/C delete plate. Our panel is made of .080 thick 5052 aluminum. It's light weight and strength is ideal for this application. It meets NHRA requirements. A bead of silicon around the perimeter of the panel will seal out any fumes from the engine compartment (we recommend Permatex Ultra Black Hi Temp RTV Silicon Gasket Maker which comes in a black squeeze tube). May require drilling mounting holes in firewall. Custom colors may be available upon request.

DM60065 **$49.95**

78-88 Brake Steering Column Firewall Seal

1978-1988 Monte Carlo, El Camino, & Malibu brake steering column firewall seal.

Exterior
Firewall

78-88 Heater and A/C Delete Cover Plate

1978-1988 Monte Carlo, Malibu & El Camino black powder coated A/C delete plate. Our panel is made of .080 thick 5052 aluminum. It's light weight and strength is ideal for this application. It meets NHRA requirements. A bead of silicon around the perimeter of the panel will seal out any fumes from the engine compartment (we recommend Permatex Ultra Black Hi Temp RTV Silicon Gasket Maker which comes in a black squeeze tube). May require drilling mounting holes in firewall. Custom colors may be available upon request.

DM60065 **$49.95**

78-88 Brake Steering Column Firewall Seal
1978-1988 Monte Carlo, El Camino, & Malibu brake steering column firewall seal.

DM60060 **$9.00**

Exterior
Stripes & Decals

Slide-On Decal Application Gel

Nothing guarantees a perfect application of a stripe or graphic but slide-on. As long as you are using slide-on to apply your graphic you have time on your side!
Take your time, the special contents of this gel resist drying until you are ready to squeegee the protective application gel out from beneath the vinyl surface. Only then does the graphic set-up and adhere. "The more SLIDE-ONÂ® you use the more time you have."

DM70019 **$15.75**

Air Filters

K&N Air Filter (E-0870)

K&N's washable lifetime performance air filters are designed to increase horsepower and acceleration, while providing excellent filtration. K&N makes over 1,200 different replacement air filters for virtually every vehicle on the road. These filters are washable and reusable and are custom-designed to fit into your existing factory air box. Their drop-in design means that adding performance is simple. With most vehicles, you simply remove the disposable air filter and replace it with one of these K&N air filters. This round K&N filter has a 5" outside diameter with a height of 5.25"

DM95027 **$40.95**

K&N Recharge Kit

To get the best performance out of your K&N air filter, use K&N's patented cleaner and oil kit. Cleaners other than K&N's own can harm the filter element and rob it of it's air flow characteristics.

86--88 Third Brake Light LED Replacement Panel
1986-1988 Monte Carlo third brake light LED replacement panel. Project a wider and brighter light for added safety and a custom modern touch. This fits the stock third brake light houseing and contains 3 rows of 15 LEDs each (45 total). It also uses less power and generates less heat than the stock #1156 bulb. The LED panel is powered through the factory bulb socket, so no wires are cut and no modifications are needed to the third brake light housing. Limited Lifetime Warranty.

86-87 Aerocoupe ABS Plastic 5 Speaker Rear Shelf

1986-1987 Monte Carlo Aerocoupe rear shelf. Our reproduction rear shelf is made from black ABS plastic that resembles the same grain and texture as the rest of the interior panels. It features provisions for five 5-1/4" speakers for added sound and style. The factory GM hard board is known for warping from sun damage and/or rotting from water leaks. You can count on this ABS plastic to last a lifetime since it will not warp. If you are going for a completely custom interior, then this shelf can be wrapped in the carpet or vinyl of your choice.

Electronic LED Flasher
This electronic LED flasher replaces the stock-type module in your fuse box. It is usually needed when installing an LED light conversion kit. Without it, due to the low resistance of LED's, the factory module is often tricked into thinking that a bulb has burned out causing more rapid flashing.

DM20238 **$17.95**

Lighting
Rear Lamps & Lenses

86-88 LED Tail Lamp Conversion Kit

1987-1988 Monte Carlo SS and 1986-1988 LS LED tail lamp conversion set (pair). Safer and brighter than factory lights, these use 62 LED's per side. Can operate normally or with programable sequential function, if desired. Custom engineered light panels for precise fit inside your lenses/housings. Note: May require an LED flasher (DM20238) which is not included. Kit includes: 2 LED panels, 2 rubber grommets, 1 power wire, 1 pigtail harness, crimp terminals, and detailed instructions.

DM20235		**$219.95**

Electronic LED Flasher

This electronic LED flasher replaces the stock-type module in your fuse box. It is usually needed when installing an LED light conversion kit. Without it, due to the low resistance of LED's, the factory module is often tricked into thinking that a bulb has burned out causing more rapid flashing.

78-88 Hotchkis Performance Total Vehicle Suspension Kit

This 1978-1988 Monte Carlo, El Camino, & Malibu Hotchkis performance TVS Total Vehicle Suspension kit includes tie rod sleeves, an adjustable rear suspension package (DM91802AA), 1" lowering springs, and front & rear swaybars. The Hotchkis TVS kit has been designed and tested as a system. No need to mix and match components to end up with poor ride quality that often results when using components made by different manufacturers. This system is fully engineered and will give you the ride you always wanted. Applications: 1978-1988 GM G-body. Motors: Small block, or big block with aluminum heads & aluminum manifold. Note: This kit lowers the vehicle an average of 1" from original factory ride height.

DM98009		**$1642.95**

78-88 Hotchkis Rear Trailing Arm Package

This 1978-1988 Monte Carlo, El Camino, & Malibu Hotchkis performance rear suspension package includes upper & lower trailing arms, trailing arm mount braces and hardware. The fabricated trailing arms are constructed from one piece of .120" wall TIG welded steel tubing and include greasable polyurethane bushings.

78-88 Hotchkis Performance Trailing Arm Mount Braces

These 1978-1988 Monte Carlo, El Camino, & Malibu Hotchkis performance trailing arm mount braces are designed to reinforce the upper cross member of your vehicle for added strength and performance. Braces include 4 long bolts, 4 locking nuts, and 8 washers. All are grade 8 hardware and feature TIG welded construction, a durable black powder coat finish, and an adjustable design.

DM91401	**$146.95**

78-88 Hotchkis Performance Trailing Arm Hardware

This 1978-1988 Monte Carlo, El Camino & Malibu Hotchkis performance trailing arm hardware kit includes 4 bolts, 4 locking nuts, and 8 washers (12mm grade 8 hardware pack). Use with 1204, 1204R, 1204A, 1304, 1304R, 1301, and 1301R. This kit is enough to do one pair of trailing arms (either upper or lower). Two kits are required per car, if all four arms are replaced.

DM91701	**$22.95**

78-88 Hotchkis Rear Trailing Arm Package

This 1978-1988 Monte Carlo, El Camino, & Malibu Hotchkis performance rear suspension package includes upper & lower trailing arms, trailing arm mount braces and hardware. The fabricated trailing arms are constructed from one piece of .120" wall TIG welded steel tubing and include greasable polyurethane bushings.

Shocks

78-88 Hotchkis HPS 1000 Front Shock Set (2)

1978-1988 Monte Carlo, El Camino, & Malibu Hotchkis performance HPS 1000 front shocks need to be tuned with spring rates and vehicle weights in mind, which is why universal shocks just don't optimize performance and often sacrifice ride quality. Tuned in-house and manufactured by Bilstein TM, these shocks offer a seamless transition between comfort and control. Each shock is specifically engineered and tuned to offer the ultimate performance and ride.
Shocks are sold in pairs.

DM97001 **$175.00**

64-88 Hotchkis HPS 1000 Rear Shocks (pr)

The HPS 1000 shock is designed like all other Hotchkis Performance parts, it's designed to perform. Shocks need to be tuned with spring rates and vehicle weights in mind. That's why one valve fit's all or universal shocks just don't optimize performance and often sacrifice ride comfort. Tuned in-house and manufactured by Bilstein TM, this shock offers a seamless transition between comfort and control. Each shock is specifically engineered and tuned to offer the ultimate performance and ride.
Sold in pairs.
Fits 1964-1972 and 1978-1988 Monte Carlo, El Camino, Chevelle & Malibu.

DM97109 **$185.95**

68-88 Bell Tech Nitro Rr Shocks (for up to 2" drop)

DM90187 **$149.95**

68-88 KYB Gas-A-Just Shocks (pair)

1968-1988 Monte Carlo, El Camino, Chevelle, & Malibu KYB gas-a-just shocks.
KYBs are an excellent street/performance replacement for the factory shocks and struts. They will provide a slightly firmer ride than factory and will handle much better. Their self-adjusting quality makes them get stiffer as more load is applied. This gives much better cornering and handling characteristics for both comfort and performance.

DM90083-6888FRONT	68-88 Front	**$104.95**
DM90083-6877REAR	68-77 Rear	**$104.95**

DM90387 **$233.95**

78-88 Hotchkis Performance Springs (1" drop)

These 1978-1988 Monte Carlo, El Camino & Malibu Hotchkis performance 1" lowering springs will give your G-body an aggressive stance and a lower center of gravity. Each grey powder coated spring is precision wound using the highest quality steel. Specs: 1" drop, front spring rate of 600 lb/in, and rear spring rate of 135 lb/in. Wagons and El Caminos should not use rear springs without the use of an air bag kit.

DM91902-FRONT	Front Only	**$182.00**
DM91902-FTRR	Front & Rear	**$364.00**

67-88 Hotchkis Performance Rear Springs (1" drop)

Lower your GM A or G-Body 1" below stock ride height to give it the right look, with an aggressive stance and a lower center of gravity. Each grey powder coated spring is precision wound using the highest quality steel. Specs: 1" lowered rear 135 lb/in. Double pig tail coil. Wagons and El Camino's should not use rear springs without the use of an air bag kit.

DM91901 **$182.00**

79-88 Bell Tech 2" Drop Spindles

These 1979-1988 Monte Carlo, El Camino, & Malibu direct fit Bell Tech 2" drop spindles lower your car without sacrificing ride quality or handling. They are not a direct fit for 78 vehicles, you will have to change your rotors, bearings and outer tie rods.

Terms and Conditions

Dixie Restoration Depot is committed to providing secure and wide ranging options for ordering products on-line as well as off-line. The following terms and conditions apply to all orders placed with Dixie Restoration Depot, regardless of the medium used to place the order:

Aftermarket Parts: Dixie Restoration Depot does not guaranty that any of its aftermarket parts are street legal in all areas. Always check your local ordinances before replacing an OEM part with an aftermarket part. Neither Dixie Restoration Depot nor its suppliers can be held liable for expenses incurred as a result of installing a part that is not street legal.

Placing An Order

When placing an order, please provide your first and last name, customer account number (located on the back of your catalog), address, daytime phone number, credit card number, expiration date and part numbers so that we may process your order as quickly as possible. All charges are quoted in U.S. Dollars. Prices and product offerings are subject to change without notice. Connecticut orders are subject to 6.35% state sales tax. Orders that contain items that are in stock will be shipped on the same day that the order is placed, provided that the order is received by 2pm Eastern Time, Monday through Friday.

On-line Orders: On-line orders are processed at 8am and 2pm Eastern Time, Monday through Friday and 8am on Saturday. Please keep this in mind when ordering on-line. We will make every effort to ship your order on the same day unless a part is not in stock. Please see the Back Orders section for more details.

Credit Card Orders: All credit card orders over $200.00 must be shipped to an address authorized by the bank that issued the credit card. To authorize an address other than your billing address, call the phone number listed on the back of your credit card. Dixie Restoration Depot will not ship any order over $200.00 to an unauthorized address.

Cash On Delivery (COD) Orders: All COD orders will be charged an additional fee. All COD orders must be paid with a certified check or money order. UPS will not accept cash for any COD. Personal checks will not be accepted. All orders over $1000.00 must be prepaid and cannot be shipped COD. Customers will be responsible for shipping charges on COD shipments that are refused or unclaimed. Dixie Restoration Depot will not ship any order until all unpaid balances are paid in full. COD orders cannot be sent overnight.

Mail Orders: Mail orders paid for with a personal check will be held for two weeks or until the check clears. Please be sure to fill in your order blank completely so that we may process your order as quickly as possible. If you have any questions about filling out the form, please call 1-877-243-4943.

International Orders: All international orders must be prepaid by credit card, certified check/money order or PayPal (orders@dixierestorationdepot.com) in U.S. Dollars. International COD's will not be accepted. When using a credit card, the order must be shipped to an address authorized by the bank that issued the credit card. To authorize an address other than your billing address, call the phone number listed on the back of your credit card. Please call for shipping rates to destinations outside of the U.S. Dixie Restoration Depot ships with several different carriers in order to meet your shipping needs. Customers are responsible for any and all importing duties and/or fees.

Gift Certificates: Orders paid for with a gift certificate are subject to the same terms and conditions as orders paid for with any other payment method. When redeeming a gift certificate, please provide the gift certificate number. Gift certificates are not transferrable and must be redeemed at the time the order is placed. Gift certificates cannot be redeemed for cash or any other form of credit. Returned parts that were paid for with a gift certificate are only eligible for store credit (no cash refunds). Please call or email if you have any questions or concerns.

When You Receive Your Order... Please open the box immediately. Any damage or discrepancy must be reported to us within 10 days of receipt. Claims reported more than 10 days after delivery will not be acknowledged.

Returns: If you need to return a part(s), please call 1-877-24-DIXIE (877-243-4943) or 1-860-645-1917 to obtain a return authorization number. This number MUST be clearly marked on the outside of the package being returned. Packages without a return authorization number will be refused.

Returns MUST be received within 30 days of the original date you received the merchandise. Returns must also include a copy of the original invoice and a detailed note describing the reason for return. All returns are subject to a 20% restocking fee.

Warranties are limited to the manufacturer's warranty. Installing any part on any car other than originally intended immediately voids any and all warranties. Books, videos, electrical parts, special order parts (parts dyed or painted to match your interior color), body panels or sheet metal (parts such as: hoods, fenders, doors, quarter panels, trunk lids, tail gates, or roofs.), and products damaged during installation cannot be returned.

Refunds are limited to unaltered never installed items, in their orignal packaging, purchased from Dixie Restoration Depot only. Labor costs are NOT refundable.

Always open packages the day you receive them to check for any damage that may have occured during shipping. If parts were damaged during shipping, please save all packaging material and call 1-877-24-DIXIE (877-243-4943) or 1-860-645-1917 immediately!

Back Orders: Dixie Restoration Depot does its best to provide same day shipping. Occasionally, a popular part may not be ready for immediate delivery. Should this occur, parts will be back ordered and shipped as soon as possible. Your patience is greatly appreciated and we regret any inconvenience this may cause. If you are unsure of the status of an order or backorder, please call 1-877-24-DIXIE (877-243-4943).

Core Charges: Some products may require an additional refundable core charge because they are either reconditioned or remanufactured. The core charge is always indicated and will be added to the original order. Each core charge will be refunded when your old part is received, provided that it is in rebuildable condition. Dixie Restoration Depot will not pay for the shipping of any core. Any core charge not included with a mail, fax or internet order will be added automatically without notice. Remember that core charges are applied to each rebuilt item ordered (ie: 4 rebuilt calipers = 4 core charges). Core charges only apply to rebuilt or remanufactured products. You will not be charged a core for any new products.

Privacy Policy

Our web servers collect the domain names, not the e-mail addresses, of visitors. Our web servers may also seek to place a 'cookie' (a small data file) on your computer's hard drive. These cookies will not contain any information that personally identifies you (such as your name or e-mail address) but they will contain a randomly generated number that is unique to your browser, and may also contain visitor preferences or session information, such as items added to a shopping cart. The information that is tracked is only used for internal purposes, such as to improve site navigation and to measure the effectiveness of our promotional placements, and is not shared with any other third party.

There are portions of this Web site where we may need to collect personal information from you for a specific purpose, such as site registrations or online ordering. When we transfer and receive certain types of sensitive information, such as financial or personal information, we employ servers equipped with SSL encryption. The information collected from you may include your name, address, telephone number, fax number, e-mail address, and payment information (e.g., credit card number and billing address).

The information we collect is used to process your inquiry or order request, and may also be used to notify you about updates to our web site or for other marketing purposes. If you supply us with your postal address, you may receive periodic mailings from us with information about new products and services or upcoming events. If you do not wish to receive marketing e-mails or postal mailings, you can opt out by calling us at 1-860-645-1917 or by sending an e-mail to email@dixierestorationdepot.com. An unsubscribe link is also provided in the footer of our website. When contacting us, please provide your exact name and address, and we will be sure your name is removed from our mailing list.

We may share the personal information you provide with other companies we have hired to provide services for us. These companies (our vendors) are contractually bound to use personal information we share with them only to perform the service we have hired them to provide. We do not share, sell, or lease personal information about you to any third-parties for their marketing use. We do not partner with or have special relationships with any Ad Server companies. We will release information about you if you direct us to do so, if we are required by law to do so, or in other legally limited circumstances (for example, to protect your account from fraud).

We maintain strict physical, electronic, and administrative safeguards to protect your personal information from unauthorized or inappropriate access. We restrict access to information about you to those employees who need to know the information to process your inquiry or request.

Please check this privacy policy periodically to keep informed of any changes. We may use customer information for new, unanticipated uses not previously disclosed in our privacy policy. If our information practices change at some time in the future, we will contact you before we use your data for these new purposes to notify you of the policy change and to provide you with the ability to opt out of these new uses.

Disclaimer

For the purpose of identification only, all terms and names used in this catalog and on the website describe parts and vehicles originally manufactured by GM.

*** - Sheet Metal Disclaimer:** No two cars are ever alike. Even though we have had very good results with this part, there is no way to guarantee that it will fit your car exactly. You may need to modify the part to fit your car just as GM did when the car was built. Altered parts cannot be returned, please see the Returns section for more details. If you have never worked with sheet metal, you should consider consulting a professional auto body technician.

***ƒ* - Freight Disclaimer:** This item must be shipped via truck freight. We will contact you with the exact cost of shipping. Truck freight shipments must be signed for by the recipient. Please inspect the shipment before signing for it and note any damage on the drivers bill. Once you sign for a truck freight shipment without noting damage and take possession of it, you release your right to file a claim. If the shipment has been damaged, call us immediately to report the problem. We may not be able to rectify your issue if you do not call us within 24 hours of receiving the shipment.

No part of this publication may be copied or stored in any archival system, or transmitted by any means - mechanical or electronic - without the expressed written consent of Dixie Restoration Depot.

Please view the "Terms and Conditions" on reverse for detailed information on placing your order. Oversize items ship via truck freight and require extra shipping charge. Please call or visit our website to get the actual shipping charge for your order.

Terms and Conditions

Dixie Restoration Depot is committed to providing secure and wide ranging options for ordering products on-line as well as off-line. The following terms and conditions apply to all orders placed with Dixie Restoration Depot, regardless of the medium used to place the order:

Aftermarket Parts: Dixie Restoration Depot does not guaranty that any of its aftermarket parts are street legal in all areas. Always check your local ordinances before replacing an OEM part with an aftermarket part. Neither Dixie Restoration Depot nor its suppliers can be held liable for expenses incurred as a result of installing a part that is not street legal.

Placing An Order

When placing an order, please provide your first and last name, customer account number (located on the back of your catalog), address, daytime phone number, credit card number, expiration date and part numbers so that we may process your order as quickly as possible. All charges are quoted in U.S. Dollars. Prices and product offerings are subject to change without notice. Connecticut orders are subject to 6.35% state sales tax. Orders that contain items that are in stock will be shipped on the same day that the order is placed, provided that the order is received by 2pm Eastern Time, Monday through Friday.

On-line Orders: On-line orders are processed at 8am and 2pm Eastern Time, Monday through Friday and 8am on Saturday. Please keep this in mind when ordering on-line. We will make every effort to ship your order on the same day unless a part is not in stock. Please see the Back Orders section for more details.

Credit Card Orders: All credit card orders over $200.00 must be shipped to an address authorized by the bank that issued the credit card. To authorize an address other than your billing address, call the phone number listed on the back of your credit card. Dixie Restoration Depot will not ship any order over $200.00 to an unauthorized address.

Cash On Delivery (COD) Orders: All COD orders will be charged an additional fee. All COD orders must be paid with a certified check or money order. UPS will not accept cash for any COD. Personal checks will not be accepted. All orders over $1000.00 must be prepaid and cannot be shipped COD. Customers will be responsible for shipping charges on COD shipments that are refused or unclaimed. Dixie Restoration Depot will not ship any order until all unpaid balances are paid in full. COD orders cannot be sent overnight.

Mail Orders: Mail orders paid for with a personal check will be held for two weeks or until the check clears. Please be sure to fill in your order blank completely so that we may process your order as quickly as possible. If you have any questions about filling out the form, please call 1-877-243-4943.

International Orders: All international orders must be prepaid by credit card, certified check/money order or PayPal (orders@dixierestorationdepot.com) in U.S. Dollars. International COD's will not be accepted. When using a credit card, the order must be shipped to an address authorized by the bank that issued the credit card. To authorize an address other than your billing address, call the phone number listed on the back of your credit card. Please call for shipping rates to destinations outside of the U.S. Dixie Restoration Depot ships with several different carriers in order to meet your shipping needs. Customers are responsible for any and all importing duties and/or fees.

Gift Certificates: Orders paid for with a gift certificate are subject to the same terms and conditions as orders paid for with any other payment method. When redeeming a gift certificate, please provide the gift certificate number. Gift certificates are not transferrable and must be redeemed at the time the order is placed. Gift certificates cannot be redeemed for cash or any other form of credit. Returned parts that were paid for with a gift certificate are only eligible for store credit (no cash refunds). Please call or email if you have any questions or concerns.

When You Receive Your Order... Please open the box immediately. Any damage or discrepancy must be reported to us within 10 days of receipt. Claims reported more than 10 days after delivery will not be acknowledged.

Returns: If you need to return a part(s), please call 1-877-24-DIXIE (877-243-4943) or 1-860-645-1917 to obtain a return authorization number. This number MUST be clearly marked on the outside of the package being returned. Packages without a return authorization number will be refused.

Returns MUST be received within 30 days of the original date you received the merchandise. Returns must also include a copy of the original invoice and a detailed note describing the reason for return. All returns are subject to a 20% restocking fee.

Always check your local ordinances before replacing an OEM part with an aftermarket part. Neither Dixie Restoration Depot nor its suppliers can be held liable for expenses incurred as a result of installing a part that is not street legal.

Placing An Order

When placing an order, please provide your first and last name, customer account number (located on the back of your catalog), address, daytime phone number, credit card number, expiration date and part numbers so that we may process your order as quickly as possible. All charges are quoted in U.S. Dollars. Prices and product offerings are subject to change without notice. Connecticut orders are subject to 6.35% state sales tax. Orders that contain items that are in stock will be shipped on the same day that the order is placed, provided that the order is received by 2pm Eastern Time, Monday through Friday.

On-line Orders: On-line orders are processed at 8am and 2pm Eastern Time, Monday through Friday and 8am on Saturday. Please keep this in mind when ordering on-line. We will make every effort to ship your order on the same day unless a part is not in stock. Please see the Back Orders section for more details.

Credit Card Orders: All credit card orders over $200.00 must be shipped to an address authorized by the bank that issued the credit card. To authorize an address other than your billing address, call the phone number listed on the back of your credit card. Dixie Restoration Depot will not ship any order over $200.00 to an unauthorized address.

Cash On Delivery (COD) Orders: All COD orders will be charged an additional fee. All COD orders must be paid with a certified check or money order. UPS will not accept cash for any COD. Personal checks will not be accepted. All orders over $1000.00 must be prepaid and cannot be shipped COD. Customers will be responsible for shipping charges on COD shipments that are refused or unclaimed. Dixie Restoration Depot will not ship any order until all unpaid balances are paid in full. COD orders cannot be sent overnight.

Mail Orders: Mail orders paid for with a personal check will be held for two weeks or until the check clears. Please be sure to fill in your order blank completely so that we may process your order as quickly as possible. If you have any questions about filling out the form, please call 1-877-243-4943.

International Orders: All international orders must be prepaid by credit card, certified check/money order or PayPal (orders@dixierestorationdepot.com) in U.S. Dollars. International COD's will not be accepted. When using a credit card, the order must be shipped to an address authorized by the bank that issued the credit card. To authorize an address other than your billing address, call the phone number listed on the back of your credit card. Please call for shipping rates to destinations outside of the U.S. Dixie Restoration Depot ships with several different carriers in order to meet your shipping needs. Customers are responsible for any and all importing duties and/or fees.

Gift Certificates: Orders paid for with a gift certificate are subject to the same terms and conditions as orders paid for with any other payment method. When redeeming a gift certificate, please provide the gift certificate number. Gift certificates are not transferrable and must be redeemed at the time the order is placed. Gift certificates cannot be redeemed for cash or any other form of credit. Returned parts that were paid for with a gift certificate are only eligible for store credit (no cash refunds). Please call or email if you have any questions or concerns.

When You Receive Your Order... Please open the box immediately. Any damage or discrepancy must be reported to us within 10 days of receipt. Claims reported more than 10 days after delivery will not be acknowledged.

Returns: If you need to return a part(s), please call 1-877-24-DIXIE (877-243-4943) or 1-860-645-1917 to obtain a return authorization number. This number MUST be clearly marked on the outside of the package being returned. Packages without a return authorization number will be refused.

Returns MUST be received within 30 days of the original date you received the merchandise. Returns must also include a copy of the original invoice and a detailed note describing the reason for return. All returns are subject to a 20% restocking fee.

Warranties are limited to the manufacturer's warranty. Installing any part on any car other than originally intended immediately voids any and all warranties. Books, videos, electrical parts, special order parts (parts dyed or painted to match your interior color), body panels or sheet metal (parts such as: hoods, fenders, doors, quarter panels, trunk lids, tail gates, or roofs.), and products damaged during installation cannot be returned.

Refunds are limited to unaltered never installed items, in their orignal packaging, purchased from Dixie Restoration Depot only. Labor costs are NOT refundable.

Always open packages the day you receive them to check for any damage that may have occured during shipping. If parts were damaged during shipping, please save all packaging material and call 1-877-24-DIXIE (877-243-4943) or 1-860-645-1917 immediately!

Back Orders: Dixie Restoration Depot does its best to provide same day shipping. Occasionally, a popular part may not be ready for immediate delivery. Should this occur, parts will be back ordered and shipped as soon as possible. Your patience is greatly appreciated and we regret any inconvenience this may cause. If you are unsure of the status of an order or backorder, please call 1-877-24-DIXIE (877-243-4943).

Core Charges: Some products may require an additional refundable core charge because they are either reconditioned or remanufactured. The core charge is always indicated and will be added to the original order. Each core charge will be refunded when your old part is received, provided that it is in rebuildable condition. Dixie Restoration Depot will not pay for the shipping of any core. Any core charge not included with a mail, fax or internet order will be added automatically without notice. Remember that core charges are applied to each rebuilt item ordered (ie: 4 rebuilt calipers = 4 core charges). Core charges only apply to rebuilt or remanufactured products. You will not be charged a core for any new products.

Privacy Policy

Our web servers collect the domain names, not the e-mail addresses, of visitors. Our web servers may also seek to place a 'cookie' (a small data file) on your computer's hard drive. These cookies will not contain any information that personally identifies you (such as your name or e-mail address) but they will contain a randomly generated number that is unique to your browser, and may also contain visitor preferences or session information, such as items added to a shopping cart. The information that is tracked is only used for internal purposes, such as to improve site navigation and to measure the effectiveness of our promotional placements, and is not shared with any other third party.

There are portions of this Web site where we may need to collect personal information from you for a specific purpose, such as site registrations or online ordering. When we transfer and receive certain types of sensitive information, such as financial or personal information, we employ servers equipped with SSL encryption. The information collected from you may include your name, address, telephone number, fax number, e-mail address, and payment information (e.g., credit card number and billing address).

The information we collect is used to process your inquiry or order request, and may also be used to notify you about updates to our web site or for other marketing purposes. If you supply us with your postal address, you may receive periodic mailings from us with information about new products and services or upcoming events. If you do not wish to receive marketing e-mails or postal mailings, you can opt out by calling us at 1-860-645-1917 or by sending an e-mail to email@dixierestorationdepot.com. An unsubscribe link is also provided in the footer of our website. When contacting us, please provide your exact name and address, and we will be sure your name is removed from our mailing list.

We may share the personal information you provide with other companies we have hired to provide services for us. These companies (our vendors) are contractually bound to use personal information we share with them only to perform the service we have hired them to provide. We do not share, sell, or lease personal information about you to any third-parties for their marketing use. We do not partner with or have special relationships with any Ad Server companies. We will release information about you if you direct us to do so, if we are required by law to do so, or in other legally limited circumstances (for example, to protect your account from fraud).

We maintain strict physical, electronic, and administrative safeguards to protect your personal information from unauthorized or inappropriate access. We restrict access to information about you to those employees who need to know the information to process your inquiry or request.

Please check this privacy policy periodically to keep informed of any changes. We may use customer information for new, unanticipated uses not previously disclosed in our privacy policy. If our information practices change at some time in the future, we will contact you before we use your data for these new purposes to notify you of the policy change and to provide you with the ability to opt out of these new uses.

Disclaimer

For the purpose of identification only, all terms and names used in this catalog and on the website describe parts and vehicles originally manufactured by GM.

*** - Sheet Metal Disclaimer:** No two cars are ever alike. Even though we have had very good results with this part, there is no way to guarantee that it will fit your car exactly. You may need to modify the part to fit your car just as GM did when the car was built. Altered parts cannot be returned, please see the Returns section for more details. If you have never worked with sheet metal, you should consider consulting a professional auto body technician.

***ƒ* - Freight Disclaimer:** This item must be shipped via truck freight. We will contact you with the exact cost of shipping. Truck freight shipments must be signed for by the recipient. Please inspect the shipment before signing for it and note any damage on the drivers bill. Once you sign for a truck freight shipment without noting damage and take possession of it, you release your right to file a claim. If the shipment has been damaged, call us immediately to report the problem. We may not be able to rectify your issue if you do not call us within 24 hours of receiving the shipment.

No part of this publication may be copied or stored in any archival system, or transmitted by any means - mechanical or electronic - without the expressed written consent of Dixie Restoration Depot.

Terms and Conditions

Dixie Restoration Depot is committed to providing secure and wide ranging options for ordering products on-line as well as off-line. The following terms and conditions apply to all orders placed with Dixie Restoration Depot, regardless of the medium used to place the order:

Aftermarket Parts: Dixie Restoration Depot does not guaranty that any of its aftermarket parts are street legal in all areas. Always check your local ordinances before replacing an OEM part with an aftermarket part. Neither Dixie Restoration Depot nor its suppliers can be held liable for expenses incurred as a result of installing a part that is not street legal.

Placing An Order

When placing an order, please provide your first and last name, customer account number (located on the back of your catalog), address, daytime phone number, credit card number, expiration date and part numbers so that we may process your order as quickly as possible. All charges are quoted in U.S. Dollars. Prices and product offerings are subject to change without notice. Connecticut orders are subject to 6.35% state sales tax. Orders that contain items that are in stock will be shipped on the same day that the order is placed, provided that the order is received by 2pm Eastern Time, Monday through Friday.

On-line Orders: On-line orders are processed at 8am and 2pm Eastern Time, Monday through Friday and 8am on Saturday. Please keep this in mind when ordering on-line. We will make every effort to ship your order on the same day unless a part is not in stock. Please see the Back Orders section for more details.

Credit Card Orders: All credit card orders over $200.00 must be shipped to an address authorized by the bank that issued the credit card. To authorize an address other than your billing address, call the phone number listed on the back of your credit card. Dixie Restoration Depot will not ship any order over $200.00 to an unauthorized address.

Cash On Delivery (COD) Orders: All COD orders will be charged an additional fee. All COD orders must be paid with a certified check or money order. UPS will not accept cash for any COD. Personal checks will not be accepted. All orders over $1000.00 must be prepaid and cannot be shipped COD. Customers will be responsible for shipping charges on COD shipments that are refused or unclaimed. Dixie Restoration Depot will not ship any order until all unpaid balances are paid in full. COD orders cannot be sent overnight.

Mail Orders: Mail orders paid for with a personal check will be held for two weeks or until the check clears. Please be sure to fill in your order blank completely so that we may process your order as quickly as possible. If you have any questions about filling out the form, please call 1-877-243-4943.

International Orders: All international orders must be prepaid by credit card, certified check/money order or PayPal (orders@dixierestorationdepot.com) in U.S. Dollars. International COD's will not be accepted. When using a credit card, the order must be shipped to an address authorized by the bank that issued the credit card. For the purpose of identification only, all terms and names used in this catalog and on the website describe parts and vehicles originally manufactured by GM.

*** - Sheet Metal Disclaimer:** No two cars are ever alike. Even though we have had very good results with this part, there is no way to guarantee that it will fit your car exactly. You may need to modify the part to fit your car just as GM did when the car was built. Altered parts cannot be returned, please see the Returns section for more details. If you have never worked with sheet metal, you should consider consulting a professional auto body technician.

***ƒ* - Freight Disclaimer:** This item must be shipped via truck freight. We will contact you with the exact cost of shipping. Truck freight shipments must be signed for by the recipient. Please inspect the shipment before signing for it and note any damage on the drivers bill. Once you sign for a truck freight shipment without noting damage and take possession of it, you release your right to file a claim. If the shipment has been damaged, call us immediately to report the problem. We may not be able to rectify your issue if you do not call us within 24 hours of receiving the shipment.

No part of this publication may be copied or stored in any archival system, or transmitted by any means - mechanical or electronic - without the expressed written consent of Dixie Restoration Depot.

DIXIE RESTORATION DEPOT

1978-88 Lower Door Panels

Want more sound from your classic Chevy? Our exclusive aftermarket lower door panels come in a variety of factory colors and can accommodate one or two 5.25" speakers.

Power lock and remote mirror holes are scribed on the back side of each panel for those with these factory options. Enhance interior appearance and sound quality with one easy upgrade. For those who prefer the factory look, we also carry a complete line of stock replacement door panels in a variety of factory options and colors.

1978-88 Console Door Assembly

Has your console door assembly started to come unglued? Are you converting from a column shift and need a complete center console? Look no further, our complete console assemblies include a brand new ABS lid with the latch and metal hinge. Each hard plastic lid comes with a special "soft touch" finish to help simulate the padded feel of the factory original while protecting the color with a nearly unscratchable surface. Made in the USA!
